

Simple Sham Jr.

20" x 36" finished

Row by Row
EXPERIENCE®
Junior

All Row by Row Junior patterns are designed to be completed by kids age 6-14 with the help of an adult. Read more about Simple Sham on our Row by Row Studio blog [here](#).

Materials Needed

1-3/4 yard fabric for sham front and back
King size bed pillow 20" x 36"
2/3 yard lightweight fusible fleece like Pellon 987F (optional)***
One Row by Row Junior™ row (9-1/2" x 36-1/2" unfinished)

Cutting Instructions

All rotary cutting should be done by an adult.

For sham back:

Cut 2: 20-1/2" x Width of Fabric strips. Sub cut each strip into a 20-1/2" x 23-1/2" rectangle.

For sham front strips:

Cut 2: 6" x Width of Fabric strips. Sub cut each strip into a 6" x 36-1/2" rectangle.

For optional lightweight fusible fleece:

Cut 1: 20-1/2" x 36-1/2" rectangle

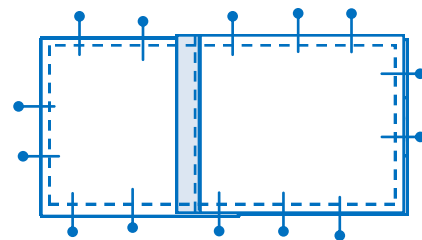

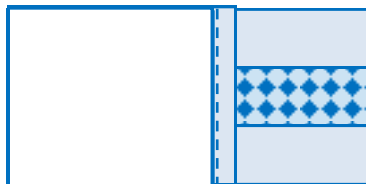

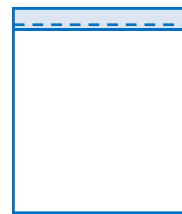

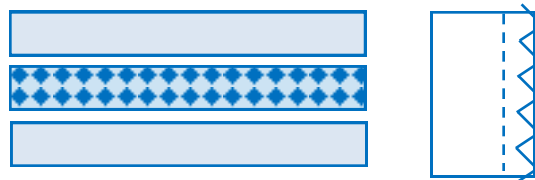

Assembly Instructions

1. Join the top and bottom strips to your row using quarter inch seams. Zig zag the edges of these seams together to prevent fraying. Press the seam allowances toward the row.
***If using fusible fleece, ask an adult to help you fuse it to the wrong side of the sham front now.
2. Place one of the back rectangles, wrong side up, on an ironing board as shown. Turn the top edge down 1 inch and press. Turn it down again 1 inch and press. Sew close to the edge as shown. Repeat with the other back rectangle.
3. Place the sham front, right side up, on a table in front of you.
4. Place one of the back rectangles on top of the front as shown with right sides facing each other and edges even.
5. Place the other back rectangle on the other side of the sham front as shown with all edges even.
6. Pin carefully to hold all the layers in place.
7. Starting on one of the short sides, stitch around all four sides using a quarter inch seam and pivoting in the corners. Zig zag these seam edges to prevent fraying.
8. Turn the sham right side out. Carefully push out the corner points. Press the sham edges nice and flat.
9. Insert your pillow form and enjoy!

A sham is a pillow cover with an overlapped opening in the back to insert a pillow form.

Visit rowbyrowexperience.com for tips on sewing quarter inch seams plus more Row by Row Junior activities and project ideas.

***Lightweight fusible fleece gives extra body to the sham front for a nice finished appearance. Pellon's Shape-Flex SF101 woven interfacing can also be used.
